

Statement of Purpose for Secretary- Football Subcommittee Post

Hello Kgpian!!

My name is Abhinil Kumar. I am a first-year undergraduate student of the Department of Mining Engineering, enrolled in its dual degree course. I am from Patna, Bihar. I am a boarder of Lal Bahadur Shastri Hall of Residence. I am contesting for the post of Secretary Football Subcommittee, Technology Students' Gymkhana, Indian Institute of Technology, Kharagpur for the academic session 2021-2022.

1) Vision

- To promote and arrange extracurricular activities to bring out the talents of students in football.
- To provide a platform for students to go beyond their academic quest and explore sports.
- To bring limelight to the hidden talent of the students.
- To encourage the students to participate in Youth Fests, intercollegiate events and university cultural and sports events.

2) The proposals I want to put forward

- Apart from Spardha(IIT BHU), Udghosh(IIT Kanpur) and Sangram(IIT Roorkee), I will try to conduct more such events and tournaments inside the campus during October(since this time is allotted for endurance and field practice), allowing teams outside of the campus to participate, so that before Inter IIT, the team can measure it's potential and can compete inside the campus instead of going to other IITs.
- Apart from GC and Inter IIT, a separate tournament (KGP-FC) will be conducted in which all the players who want to play football but are not selected in the Inter-Hall or Inter-IIT Teams can also participate. The players can then be divided into several teams depending upon participation so that hidden talent can be brought into the limelight.
- I will try to divide the NSO-Football unit into two sub units (Unit-1 and Unit-2) since many freshers are not able to join in the NSO-football due to the limited number of students in NSO. This will increase the participation of freshers in football.
- I will try to increase the participation of the football team of IIT Kharagpur in major tournaments of Bengal like Bengal Premier League Soccer so that they can compete with different level players and enhance their skills, like the Hockey team, who participated in the Beighton Cup in 2015.
- To increase the participation of girls in football, considering next semester to be online, I will organise FIFA – esports tournament in which only girl's candidate can participate and prizes for top performer will be given.
- Considering next semester to be online, I will organise a Freestyle Football show-off event in which participants are said to make a freestyle video of doing football moves (like rainbow, dribbling, bicycle kick etc.) and send their video to

us. We will post those videos through our fb page and the one who will get most likes will win the event. Prizes for top performer will be given.

3) Why me:

- I have represented my school at the national level as a captain in the Inter-School football tournament (Under-16) in 2016, reflecting my leadership quality.
- Also, since I was a part of NCC during my school days, I'm good at managing large team.

And hence I believe that I'm a worthy candidate for this post of Secretary-Football Subcommittee.

Abhinil Kumar

Candidate Secretary: Football
