

Technology Students' Gymkhana

Indian Institute of Technology, Kharagpur

Hello Everyone,

My name is **Avinandan Kumar Sharma**. I am a first-year undergraduate student of the **Department of Electrical and Electronic Communication Engineering** enrolled in its B-tech course. I am a boarder of **Lal Bahadur Shastri Hall of Residence**. I am from **Jamshedpur(Jharkhand)**. I am contesting for the post of, **Secretary Cricket Subcommittee Technology Students Gymkhana, Indian Institute Of Technology Kharagpur**, for the academic session 2021-2022.

Starting with the main-reasons for standing for the post and you should vote me?

Since, Childhood Cricket has been an integral part of my life and I feel very energetic in involving and handling events related to cricket. I have been a cricket fan since a very tender age. Also, I was a part of my **District's cricket team** and I have been a witness to each minute detail that goes in while conducting these tournaments.

Being an **Active student in school** and had participated in many **School** and **district level** cricket matches, I think myself eligible for the post of cricket secretary.

While in school I was the part of the volunteer team and had **organised many events and volunteered many events**.

I was **Awarded as the Most Active** student and the best speech presenter in our school farewell.

I am from **NSO cricket team of Indian Institute Of Kharagpur** as well.

•Why should you vote me and future plans ?

Coming straight to the question why you vote me over the other candidates.

- I was very active in sporting activities at my school and I have faced various challenging situations. These challenges made me a more responsible, confident and dedicated person which are the qualities required in a person to serve on this post. That is why I consider myself a suitable candidate for this post.

- So, there are few things that will be my area of focus if I get elected with the support of you all:

Like conducting seminars/webinar for all the teams

Keeping all updated with cricket

Fitness of the players

Reducing the gap between the players

Proper sessions on improvement

So lastly want to conclude that with all your support I will be doing my duty with utmost responsibility.

Possessing good Leadership and Communication skills, also I am a team player.

As we are aware of this pandemic because of which our classes are being held online, and we are not able to meet in person, I wish I can get all your support.

Hopefully you would remember my name and vote for me as your Cricket Secretary on July 26th on the ERP.

~ thanking you

Avinandan Kumar Sharma
