

Hello, fellow KGPIans,

I am Kagdelwar Samyukta Prashant. I am a first-year undergraduate student of the Department of Ocean engineering and Naval architecture enrolled in its Dual Degree course . I am a boarder of Sarojini Naidu/Indira Gandhi hall of residence. I am from Pusad, Maharashtra. I am contesting for the post of Secretary Badminton Subcommittee , Technology Students Gymkhana, Indian Institute of Technology Kharagpur for the academic session 2021-2022.

Badminton is a game of passion and I lend my soul while playing it. From getting inspired by the famous Badminton players while watching their play on-screen to executing their strategies and finding out the different tactics, the journey was more worth than the efforts!

With an experience of playing the game for more than 8 years, I have learnt many things in the game including how the game sculptures one's personality. In the 8 years' awesome journey, the game taught me great Leadership skills and how to carry out the events well. I can assure you that I will make all equipment needed for Badminton available.

Vote for me:

Date: 26 July

Time: 9 am - 6 pm

Venue: ERP, IIT KGP

SOP -

Greetings to all my peers and seniors!

I am Kagdelwar Samyukta Prashant. I'm a first-year undergraduate at IIT Kharagpur from the department of Ocean Engineering and Naval Architecture, enrolled in its dual degree course. I am a boarder of SN/IG hall of residence.

"With the Technology Gymkhana Elections 2021 for the Badminton Secretary, here comes Samyukta, a virtuous candidate for the same."

My SOP is as follows:-

- 1) Commingling the leadership and management qualities, no wonder, managing events and leading the society will surely be under my area of expertise. Being a supervisor of the Teacher's Day event and the school captain for 3 years furnished me to conquer the traits to be an 'Incumbent Secretary' no doubt, I hope to share and use this experience of mine as your secretary.
- 2) I have been playing Badminton for over 8 years now and so, know what all it needs to play badminton. Having that fervency and zeal for the game, I shall be working hard to the best of my abilities to provide 'the Badminton Lovers' with all the necessary equipment needed. In addition, sessions with top badminton players and Badminton quizzes would be conducted, to know and prepare the appropriate mixture of the 'Jadi-butis' for success!!

3) Also, I shall request the authority to raise more funds for the badminton society. As soon as we get back in offline mode, I shall arrange badminton competitions. Rest assured, my help will always be a shot in the arm for the Badminton Bonanza!

We all know these exceptional times have taken away our mental peace. Hence, I have also decided to conduct online events, ranging from "conducting small online quizzes on badminton" to "organizing talks from the top".

Truly speaking, all the above will only be possible if a righteous person stands in the position of the secretary and that's definitely me.

With that, I ask you all to solicit votes for the society secretary.

To conclude, I must say: Medium may be anyone or anything, but the end goal must be the betterment of things. It is time that all of you should vote to make yourself win, because I am not by me, but by you all, for you all, and a representation of you all.

Thank You !

- Kagdelwar Samyukta Prashant
