

My name is Ikshita Agarwal. I am a first-year undergraduate student of the Department of Civil Engineering enrolled in its Dual Degree course. I am a boarder of Sarojini Naidu/Indira Gandhi Hall of Residence. I am from Jodhpur, Rajasthan. I am contesting for the post of Secretary-Application Cup, Technology Students' Gymkhana, Indian Institute of Technology, Kharagpur for the academic session 2021-2022

It has always been my mantra that "A good idea is about ten percent, and implementation and hard work and luck is 90 percent"

It keeps me motivated to bring out creative ideas to the table and to implement them with persistence.

I, if elected, will make sure smooth conduct of events as well as promote the participation of students as well. Since my school times, I have been part of team that organized various events and thus have some good management experience along with being a good team member. And thus I feel that I am eligible for this post.
