

Statement Of Purpose

(unofficial)

My name is Rashi Goyal. I am a first year undergraduate student of the department of Geology and Geophysics enrolled in its integrated M.sc. course. I am from Hanumangarh, Rajasthan. I am boarder of Sarojini Naidu / Indira Gandhi hall of residence. I am contesting for the post of Literary Secretary, Technology Students Gymkhana, Indian Institute of Technology Kharagpur for the academic session 2021-2022.

I want to address the main-reason why I wanted this post and why you should vote me?

As most of the duties associated with this post are Management of GC or open IIT events.

- I chose this post because I think I have the leadership qualities of managing and conducting events.
- Right now I can give you shreds of evidence of my past happenings. I was house captain and was Miss farewell of My school. so I already know how things need to be managed and to be worked.
- I am a hardworking kind of person as I am in one of the research groups, which you know requires a tough task to perform.
- As I was from a convent school since my childhood. we had strict rules for communicating in English, so I am fluent in it .and can easily communicate with high authorities for inviting them to events.
- Time Management and doing things carefully(like passing bills and making a budget) is something I believe I am good at.
- Lastly, I would say if I am selected I will listen to everyone's concerns and take a fair decisions. and will bring about possible changes that will be in my hand.
